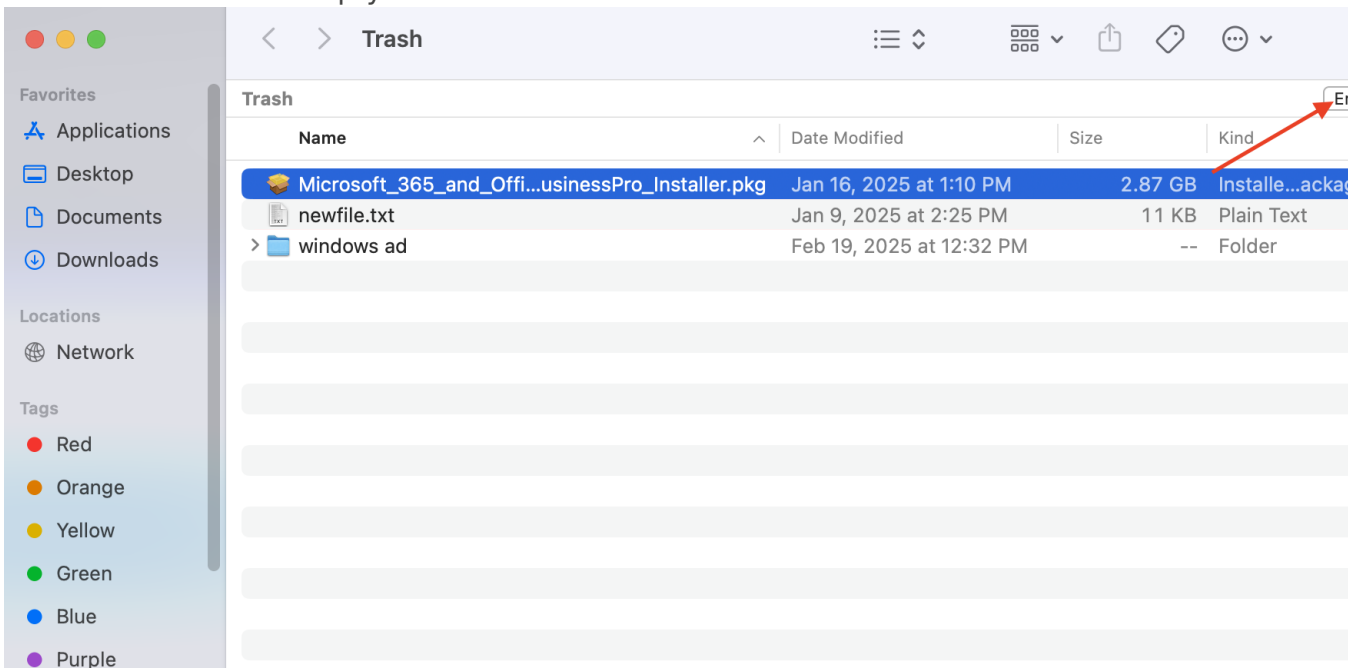
Uninstalling Microsoft Office

1. Go to **"Finder"** > **"Applications"**, find the Microsoft Office applications to remove and right click.
    1. Select **"Move to Trash"**.
    2. 
2. Go to the Trash and empty it.



3. **Open up the terminal program on your mac. You can search and find the "terminal" by clicking on the magnifying glass on the top right of your screen.**

```
sudo rm -rf /Library/LaunchAgents/com.microsoft.*
rm -rf /Library/PrivilegedHelperTools/com.microsoft.*

rm -rf /Library/Preferences/com.microsoft.*

rm -rf ~/Library/Containers/com.microsoft.*
rm -rf ~/Library/Group\ Containers/UBF8T346G9.*
```
