

# Creating a new Form

## 1. Structure -> Webforms -> Forms

The screenshot shows the Drupal administration interface. The 'Webforms' sidebar menu is open, showing a path from 'Webforms' to 'Forms'. A red arrow points to the 'Filter' button in the top right of the 'Forms' section, with the word 'Click' written next to it. Below the menu, a table lists 9 webforms with columns for 'TITLE' and 'DESCRIPTION'.

TITLE	DESCRIPTION
Alumni	Alumni form
Contact	Basic email contact webform.
Event	
PS phase2	PHYSICAL SCIENCES PHASE 2 form
PS safety	
Readmission Application-Physical Sciences	Readmission Application-Physical Scienc
Travel Reimbursement Form	

## 2. Click "Add Webform"

The **Forms** management page lists all av

## 3. Enter the details about the new form.
