

Installing Local Microsoft Office Programs

To Install Local Microsoft Office Programs:

- **Log in** to Microsoft 365 via web browser (outlook.com/uci.edu) - with UCInetID@ad.uci.edu. If this is your first time login with @ad.uci.edu account, you must reset the password. You can click on "reset/forget password" at the login window or just go directly to <https://applications.oit.uci.edu/PasswordChange/changePasswordAD.htm>.
- Select the **Gear icon** in the upper-right corner of the window.
- Near the bottom of the list, under the heading "Your App Settings," choose **Microsoft 365**.
- On the next page, choose **Software**.
- On the next page, follow Microsoft's instructions to install Office.
